

In a drive to promote a love of poetry, each class or year group were given the opportunity to perform a poem of their choice to the whole school. It was a roaring success and every child loved it! Thanks you Miss Duffy for organising. For our first whole school recital, each class from Nursery to Year 6 had to learn a poem and recite it by heart. Some classes added actions, music, groups, drama and choral recitation. We can't wait for the next one in Summer term!
