

January 2023

Welcome to 2023 in Year 4. We hope you have enjoyed the Christmas holidays. We are excited to be back, and we have already been busy this first week. We have lots to do this term and look forward to another trip, after such a lovely experience when we went to Chester. Thanks for continuing to support us.

Mrs. Saccani and Miss Doherty

English:

Our writing will be based on 'The Paradise Garden' by Colin Thompson. We will create and describe our very own wonderful setting and, write an attention-grabbing opening to a story.

In Science our question is: "Why is the sound made by Ed Sheeran loved by so many?" We will be identifying how sounds are made and the different parts of the ear. We will investigate how sound travels and we will design our own musical instrument.

Maths:

We will be consolidating our understanding of place value, addition, subtraction, division and multiplication. We will also be working with fractions and decimals this half term.

Weekly Timetable in Year 4:

Every day - Reading book and reading record book to be brought in.
Tuesday - Come to school in your PE kit.
Tuesday - Homework due in.
Wednesday – 4OD Spelling test
Friday – 4OD Swimming kit, 4KS spelling test and homework sent home.

This half term our History question is: "Why did the Anglo-Saxons and Vikings not get along?"

We will be finding out about the Anglo-Saxons and Vikings in Britain. We will examine how we know so much about them and we will become historians by using clues to give us information.

Next half-term our History question is: "Were the Vikings always victorious and vicious?"

We will be researching and finding out more about why they came to Britain and what their life may have been like here. We will also design and make our own piece of Viking jewellery.

We are lucky enough to have Mr Charles teaching us Music. He will help us to explore how to read and write our own music. We will also look at different types of music and practise our singing skills.
