

Weekly Dates

Homework needs to be in by Wednesday to be marked. New homework to be given out on Fridays.

Reading Books need to be in school every day. Please try to read with your child at home and record this in their reading record.

PE Kit Nursery have PE with Kickstarters on Tuesdays, they do **not** require a PE kit.

Reading Books

In reading records, parents must mark in the date, how many pages read and any comments about how the child interacted with the book.

Staff will be reading 1:1 throughout the week with the children. Please ensure that reading books and records are in the children's bags every morning.

Nursery Newsletter Summer Term

Hello Nursery! We hope you had a wonderful Easter break. Welcome back to our Summer term.

We are looking forward to our final term together and have planned some very special topics and activities.

From the Nursery Team:
Miss Davies, Miss Boardman, Ms Blyth and
Mrs Freeny

Spring/ Summer Weather

As we all know, the British weather is very unpredictable. Please ensure that children have a cardigan/jumper and coat/jacket with their name written inside.

Please remember to put sun cream on children before school. If children need a special sun cream, you may put one in their bag with their name on it.

Children will need a sun hat with their name inside. Please have one in their school bag.

Topics:

Summer Term 1

Minibeasts- We will learn about different types of minibeasts and their habitats. We will also have a visit from the Creepy Crawly show and will have some special visitors come to stay in our classroom.

Growing- The children will learn how plants grow, what they need to flourish and monitor how long it takes to grow certain plants and herbs.

Pirates- We will learn about pirates through the story Pirate's Love Underpants. The children will also learn how to make and read simple maps to complete treasure hunts like real pirates! Arrhhh!

Summer Term 2

Under the Sea- We will be learning all about the sea and the creatures and wildlife found deep in the sea, we are also going on a trip to blue planet to see this in real life- info to follow.

Farms- We will learn all about farms, the animals we may find and what they are used for, we are very excited to announce that real farm animals will be visiting our school.

Holidays- We will learn about different types of holidays, where people go, what we can do and what to wear.

Maths:

This half term, we will be looking at sequencing numbers, number rhymes and more than and fewer.

We will also be working on; recognising and using shapes.

Phonics:

This term in phonics we are continuing to learn our sounds, and blending sounds, developing our phonics knowledge.

Why not visit the Little Wandles website where there are wonderful resources on this page to help you support your child with identifying. There are also some useful videos so you can see how they are taught at school.
